

Workshop:

Biomolecular Circuit Design

Friday, 18 November 2011

Center for Advanced Studies (CAS), Ludwig-Maximilians-Universität München
Seestraße 13
www.cas.lmu.de

PROGRAM:

- 14.00 Welcome Address: Ulrich Gerland (LMU)
- 14.05 **Calin Guet** (IST Austria, Wien)
A Short History of Synthetic Biology
- 14.45 *Discussion*
- 15.00 **Christoph Kaleta** (Universität Jena)
Identification of global principles in the control of metabolic pathways
in *Escherichia coli*
- 15.40 *Discussion*
- 15.55 Coffee
- 16.15 **Markus Kollmann** (Universität Düsseldorf)
Design of signal processing circuits in bacteria
- 16.55 *Discussion*
- 17.10 **Ulrich Gerland** (LMU)
Combinatorial and sequential transcription logic
- 17.45 *Discussion*
- 18.00 Reception at CAS

Registration required. Please contact us at info@cas.lmu.de
